

Year2 Project Plan

Spring First half Term 2012

This term classes
1 and 2 will be working
on the shared theme
of ...

Space Walk

Literacy

We will use a wide range of texts, including: Dictionaries, glossaries, thesauruses, fiction texts, non-fiction texts and poetry for reading and writing activities relating to the space theme.

Science

Finding out about pushes and pulls. Testing different forces. Finding out how we can make things move faster and finding out the effect different surfaces have.

Maths

Number work, including multiplication and division. Data handling activities related to our science work. Looking at positional language, i.e clockwise, anti-clockwise, right angles. Coordinates and time

DT

Designing and making a space vehicle using wheels and axles.

RE

Learning about the importance of family, friendships and celebrations in the Jewish faith.

Art

Art related to literacy and science work. We will use the work of Van Gogh to inspire our 2D and 3D art work.

Humanities

Finding out about Famous People in Space.

PSHE

Friendships and sharing

PE

Gymnastics, looking at shape, directional and different levels.

Music

We will be learning and accompanying new songs related to space using simple ostinatos. Listening to parts of Holst's Planet Suite. Composing our own pieces of space music.

IT

We will use a data-handling program to display our science investigations. We will continue to use word processing programs in literacy. Using the bee-bots.
