HEADTEACHER: Julie Baldwin MA

5.7.18

Dear Parents,

The children had a fantastic day on Tuesday working with a visiting artist. (Thank you again to FOCS for funding this) The children designed pictures of mini beasts from their visit to College Lakes earlier this term. The photographs were sent to the artist who enlarged them and cut them out of ply wood. These were pre prepared with varnish and then the children took turns to choose colours and patterns to complete the pictures.

The pictures are now drying and will then be hung in the eco garden at school before the end of term so you will be able to see them on our celebration afternoon (19th July) Jo Clanfield, the supply teacher who has been working with us, is an outdoor learning specialist. So next week all the children are going to work with her for a morning in an area of land near the football pitch in Castlethorpe. Risk assessments have been carried out and the children need to wear long trousers or leggings on the day their year group will be working with her. They should come to school wearing these together with a suitable t shirt, their trainers, water bottles, sun cream, and sunhats.

Wednesday 11th July Outdoor learning for Rabbits (foundation)

Thursday 12th July Outdoor learning for Owls (year 2)

Friday 13th July Outdoor learning for Foxes (year 1)

Yours,

Julie Baldwin
