Consistent Financial Reporting (CFR) – School's Income, Expenditure and Balances

Please follow this link to the DfE's national school's benchmarking website for our school:

<https://schools-financial-benchmarking.service.gov.uk/School/Detail?urn=110213>

Here you can view the school's income, expenditure and balances as well as compare these with other maintained schools and academies. The information on the website is updated annually by the DfE using the Consistent Financial Reporting (CFR) statements that are submitted by the school to the DfE in summer term.

Reporting Salaries of High Paid Staff

All local authority maintained schools are required to publish annually on their websites the number of individuals (if any) earning over £100k a year. This information is required to be published in bands of £10k.

At Castlethorpe First School no staff at the school earn more than £100k a year.
