

Foundation Curriculum Plan

Sparkle and Shine

Autumn Second Half Term 2013

Communication Language and Literacy

We will retell different versions of traditional tales and learn to recite poems. We will listen to a partner and recount /draw what they have said.

Understanding the World

We will be finding out about light sources and how light is used. We will be discovering about the sun, day and night, reflections and shadows.

We will find out about the celebrations of Hanukkah, Divali and of course Christmas.

Expressive Arts and Design

We will be working with clay to make a diva and we will work with a variety of media to create reflective designs. We will use music and shadows to inspire our work.

Maths

We will continue to work with numbers to ten and to recognise numbers to twenty. We will learn about measurements of length and time.

Social Personal and Emotional Development

We will discuss and listen to others and consider other people's views. We will continue to discuss suitable behaviours in different situations.

Physical Development

We will continue to learn about creative dance and ball skills.
