

## FOCS AGM

March 4<sup>th</sup> 2009

Head teacher's report:

Thank you, once again, to this years FOCS committee for a very successful programme of events. Without the commitment and support of volunteer parents this programme of events just wouldn't be possible from which the children and the school gain immensely.

On behalf of the children, the staff and the governors I would like to formally thank the current committee and everyone who has helped in any way.

A variety of school projects have benefited from FOC's support over the last year:

- The refurbishment of the school library
- The spooky party
- 100 club
- The Christmas party and Christmas decorations
- Refreshments for harvest festival and the Christmas play
- Ordering and managing school uniform and attending new parents evening
- Refreshments for sports day
- Organising the annual school fete
- Funding a fantastic school trip to Lings nature reserve in the summer
- Funding of what now has become an annual trip to the pantomime
- Funding the visit by Julia Jarman
- Agreeing the funding of 4 laptops, 2 PC's and a smart board (Quotes have come in now at a total of £4948.9)

Future projects:

- Playground: We hope to complete the development of the school playground. Presently costing the replacement of sheds and adding planters for vegetable growing. Funding for this will hopefully come from the school's devolved budget. We hope that FOCS will fund the re placement of markings on the playground.
- Fund more library books to supplement the £1000 to be allocated from the school budget.
- A puppet show.
- Stall for the village open garden event
- A further visit from an author (spring 2010)
- Possibly a further work station for class 1 and 2 further PCs (£1879)
