Dear Parents,

Every year there is a National **'Walk to School'** week and this year it is next week.

I have enclosed a parent's information leaflet and a children's diary card with this letter and I have talked to the children about the event in assembly today. We know from our surveys that many children usually do walk to school but we are also aware that it is not always possible for all children to walk.

The aim is to encourage walking; this might be all the way between home or Wolery and school, or part way by parking a little further away from school. We hope all the children will enjoy taking part.

Yours,

Julie Baldwin
