23.9.11

Dear Parents,

On Monday we will be having our now annual conker counting morning when all the children will be outside estimating and counting in 10s and 100s. Hopefully we may even beat last year's record of 3,700 conkers, so **Monday morning will be the last opportunity to bring in conkers.**

Next **Friday the 30th September** is our Harvest Festival. It will start at **2pm** in the church. All the children will be singing songs and I hope you can join us. We would be pleased to receive donations of both fresh and tinned produce in school on Thursday 29th and Friday 30th September, which we will take to church to add to the church collection. At the end of Harvest we will bring the children back to school and then parents are welcome to take their children home.

Next Monday evening (26th September) there will be a FOCS (friends of Castlethorpe School) meeting at 7.30pm in school. **We really need your support.** FOCS help raise much needed funds for the school and help with specific events for the children and there are vacancies on the committee. Please try and support this event. If you would like to help but are unable to come to meeting please either let school know or Rachel Paton. Mrs Crompton and I will both be there, please come and join us.

Last night, there was a meeting for parents with children in Foundation and Year 2 which was very well attended. There was a power point presentation for year 2 parents which I have put on Fronter if you were unable to attend. If you have forgotten your password a reminder will come home on Monday.

Yours,

Julie Baldwin
